

## CITIZEN SCIENCE STAR PARTY AT INDEPENDENCE HALL NATIONAL HISTORICAL PARK

Join SciStarter to stargaze, monitor light pollution and report nighttime bird migration! Help reach 2.50 Million Acts of Science this April in celebration of America's 250th Birthday!

**Date:** April 13, 2026 (April 14 rain date)

**Time:** 8:00 - 10:00PM

**Location:** Independence Hall National Historical Park, Near the Liberty Bell

**Details:** No prior experience needed. Fun for all ages!

**Can't join us in person?  
No problem!**

**You can contribute to real scientific research from anywhere in 3 easy steps!**

1. Visit [SciStarter.org/dark-sky-safer-fly](https://SciStarter.org/dark-sky-safer-fly)
2. Pick a project and log data!
3. Report your Acts on [citizensciencemonth.org](https://citizensciencemonth.org)
